## WORK EXPERIENCE

---

### **CO-FOUNDER • LSELOVE • 20/03/2019 - CURRENT**

Co-founded and grew a social media page to 10,000 followers and 100,000+ engagements per month

### **TUTOR • MYTUTOR • 20/06/2021 - CURRENT**

Tutoring science and mathematics to GCSE students to help them achieve their target grades. Developed great organizational and planning skills through efficient lesson planning and balancing time between university work and tutoring.

### **INTERN • JAGUAR LAND ROVER • 20/06/2018 – 20/07/2018**

Shadowed a Senior Manager for a month at JLR's largest global plant in Shanghai. Attended business meetings with high-profile suppliers and learnt about supply chain issues and budgeting.

## EDUCATION

---

### **MSC APPLIED ECONOMICS & BA HISTORY • GRADUATED: 23/09/21 • UNIVERSITY OF STRATHCLYDE & KINGS COLLEGE LONDON**

Achieved a 2:1 in my undergraduate degree and a pass in my masters

### **CODING BOOTCAMP • GRADUATING: 31/05/22 • UNIVERSITY OF BIRMINGHAM**

I am currently partaking in a coding bootcamp. My current grade average for the bootcamp as A-. I have quickly developed front-end skills as I have spent my spare time building websites to improve my skills.
